1481. Salad, Mohamed Khalief. **Somalia: a Bibliographical Survey.** Westport, CT: Greenwood Press, 1977. 468 p. *African Bibliographic Center, Special Bibliographic Series;* New Series, no. 4. ISBN 0-8371-9480-6.

The complier has attempted a "comprehensive bibliography of the Somali nation" (Introduction), and does list without annotation almost 4000 titles covering exploration, the colonial and independence eras, up to about 1975. The list incorporates works in English, Italian, French, German and Somali (but not Arabic). The entries are topically arranged, and there are no indexes.
